Pacific Guano Company's
COMPOUND
ACID PHOSPHATE OF LIME
For Composting with Cotton Seed.
THIS ARTICLE is manufactured at the Company's Works, under the direction and supervision of Dr. R. H. Howard.
It contains the same elements of fertility as SO-LUBLE PACIFIC GUANO, except that it is not furnished with Ammonia. It is prepared expressly for composting with cotton seed, which furnishes the element of Ammonia; the object being to render that side product of the plantation available to the highest degree as an element of fertility. For further and particular information apply to the undersigned.
